## BIOGRAPHY

Hello, I am an Online marketing specialist based in Bratislava. Currently working at Pizza SEO on various Social Media and Online marketing projects. I have started to learn PR, marketing and WordPress development when I was 12 and since then the passion is still bigger. I am dedicated and pro-active person with plenty of ideas. My life has been moved on the next level by 18 months experience in Copenhagen, where I built my knowledge base for further working in the world of advertising. I am down for great challenges now.

Aim: Digital Marketing, Ideamaking, Photography, WordPress, Basic Graphics and Video
